Re: Hawk Technology Systems, LLC v. Oaklawn Jockey Club, Inc.,
United States District Court Western District of Arkansas,
6:15-CV-06037 (PKH)

Dear David:

We believe Plaintiff was supposed to label its document production to indicate which documents correspond to each category of Rule 3-2. "The producing party shall separately identify by production number which documents correspond to each category." (Northern District of California Patent Local Rules 3.2(e)). We would ask you to produce your documents again with that designation, please.

Please let us hear from you either way. Thank you.

Yours truly,

A handwritten signature in blue ink, appearing to be "JMS", written over a circular blue ink stamp.
